### GREAT TIMES IN CAMP

GLENDALE BOY BLOSSOMS OUT  
AS PLAY-WRITER AND  
STAGE DIRECTOR

The following letter from J. Murray Durham, who is now probably in New York or on the high seas nearing that port, tells of some of the demands suddenly made on the men in camp:

La Ferte Bernard,  
March 8, 1919.

Dear Mother:—

I have not written you for two weeks, as I have not had any time that I could use for such purposes. Two weeks ago the captain called me into his office, and told me to get up some kind of a show, to be given in the local Y. M. C. A. He also designated the night for its production. At first everything seemed fine enough. I had to go around through the company and see what kind of talent was to be had. None of the boys had ever played to the public before, so, of course, I then and there met difficulty one. After getting several promising stunts, next thing to do was to make up some sort of a play. After sizing them up, I wrote a sketch, and then started to rehearse. Our entire company is working, prisoners, traffic men, etc., so there problem No. 2 appeared. As a matter of fact, they never were all together at any one time. Next, I had to attend to the costuming, for, of course, the men had nothing that they could furnish themselves, and I had no intention of letting any of them appear in uniform. Believe me, hustling up clothing from these French is some job. Also, the stage had to be fixed. The one that we used had one small set, a living room. I got a number of canvas tents we use, had pictures painted on them like a side show, draped some striped canvas awning around the back door in the set, built a ticket stand and a platform across the stage, and was ready for business. All this had to be done in a week and a half.

Well, after three good songs before the curtain, up it went, and on

### ROCKHOLDS, FATHER AND SON

Mrs. J. E. Rockhold, of 330 West Burchett street, was made very happy last week by receipt of news that her son Howard arrived in Camp Dix, near Philadelphia, March 26th. He wrote that when the transports came into the harbor at Philadelphia and every bell and whistle broke loose, he realized what it was to be an American and be welcomed to your native land. He was with the Army of Occupation, but developed rheumatism and became so seriously ill he had to be sent to a hospital and was sent home with a casual company. His mother fears he may not yet be well enough for discharge but she is anxiously awaiting further news as to what camp in the west he is to be transferred to. Mr. Rockhold writes that he is very busy building roads "Over There" with no means of knowing when he will be sent home.

### OUR ELKS WIN

DEFEAT A CRACK KNIGHTS OF  
COLUMBUS TEAM FROM  
LOS ANGELES

The husky bowling team of the local Elks' Lodge won fresh laurels Friday evening in a contest with a strong Knights of Columbus team from Los Angeles. Jack Hearnshaw carried off the honors for the Elks with a total of 539 scores and an average of 179 2-3. Joe Fortunato, big chief of the Elks' bunch, displayed consummate generalship in leading his men to victory and by the way scored the highest number of points in a single game, 206. ### QUOTA EXCEEDED

COMMITTEE IN CHARGE OF RED  
CROSS CLOTHING DRIVE RE-  
PORTS 25 TO 50 LBS. OVER

L. T. Rowley, Mrs. Worley and Mrs. Myton, who are the trio which has been at the head of the Red Cross Clothing Drive, have been much gratified at the response to their appeal for additional donations of clothing to complete the quota assigned this chapter—3000 pounds. They have now an excess of 25 to 50 pounds and the satisfaction of knowing that the city in this as in other drives has not failed to meet its obligations. The last boxes will be packed this morning and the full shipment will be conveyed by truck to Los Angeles to be shipped with the consignments of the Los Angeles Chapter. If possible a picture will be taken of the truck after it is loaded to form a part of the records of the chapter.

The committee states that the donations have been of a high order, all strong, substantial garments in fine condition, donations of which the city has every reason to be proud. All the underwear and children's clothing has come in in perfect repair and freshly laundered.

### BLUE LODGE HONORS SOLDIERS

A very pleasant dancing party was given by Blue Lodge, F. and A. M., Saturday evening at Masonic Temple for the soldier members of that organization who have returned to civil life. Arrangements had been made beforehand to accommodate any who preferred to play cards, but all who came were dancers and spent the evening that way. All men were in full dress, none wearing their uniforms so it was difficult to pick out the special guests. It was an invitation affair limited to members of the lodge and their ladies and was a very nice affair.

### DANCING IN G. U. H. S.

IT WILL BE THEME OF DEBATE  
TONIGHT AT MEETING OF  
HIGH SCHOOL P. T. A.

The question, "to dance or not to dance," as applied to Glendale Union High School pupils, seems to have reached an acute stage where parents are anxious it should be settled one way or the other, so that it will not be continually reappearing like Banquo's ghost. It will, therefore, be made the special theme of the meeting of the High School P. T. A. which will be held this evening in the Cafeteria at 8 o'clock. While the general theme of discussion left over from last meeting was "Social Activities in the High School," which was to be investigated by a special committee appointed by the president, Mrs. Wernette, which will make its report tonight, dancing appears to be the real crux of the matter. For that reason parents of high school students having opinions on the matter pro or con, and who are interested in the subject, are urged to come out and participate in the debate.

### DEATH OF ROSALIA CONRAD

Mrs. Rosalia Conrad, wife of Charles R. Conrad, of Newhall, Cal., passed away at the home of his brother, Dr. A. O. Conrad, 1250 South Glendale avenue, this (Monday) morning, April 7, 1919, at 4 o'clock. She was 39 years of age and had had a long illness. She leaves, besides her husband, one daughter. Funeral services will be held at the Seaverns parlors Wednesday at 2 p. m., and interment will be made in Forest Lawn Memorial Park.

### BIBLE CONFERENCE

CHRISTIAN AND MISSIONARY AL-  
LIANCE TO HOLD CON-  
FERENCE

In the Gospel Tabernacle on Chestnut street, just east of Louise, beginning on Tuesday evening of this week and closing on next Sunday evening, will be held a Bible and Missionary Conference. Five speakers of national prominence in the Alliance will assist the regular pastor, Rev. Geo. W. Davis, delivering timely addresses. Those interested in their own salvation, the salvation of others, greater efficiency in service, the ministry of the Holy Spirit, the Word of God, world-wide evangelism and relief from suffering are urged to attend. The convention offers this and more. No fads, no fancies, no theories, no new theology. Simply the Gospel of Jesus Christ, the same yesterday, today and forever.

### BURGLARY AT MAYOR WOODMAN'S

COUNTY GRAND JURY SPENDS ALL THE FORENOON IN-  
VESTIGATING IT—NO RESULTS ANNOUNCED

### OVERTHROW OF BUDA PEST SOVIET

SAID TO HAVE BEEN ACCOMPLISHED WITH ASSASSINA-  
TION OF FOREIGN MINISTER BELA KUN

(Special Service to Glendale Evening News)

London, April 7.—A Berlin dispatch today said the government had unearthed plots in several cities for the establishment of a soviet government. Strong repressive measures have been taken. The Krupp works are reported idle and officials have been instructed to arm themselves against an emergency.

Vienna dispatches, via Berlin, said there were rumors that the soviet at Buda Pest had been overthrown and that Foreign Minister Bela Kun had been assassinated. The same reports came from Basle.

The Berlin dispatch predicted the establishment of a soviet government in Austria by May 15.

A Buda Pest dispatch dated Saturday said that Foreign Minister Bela Kun had met General Smuts, British leader, and that after a conference he had declared:

"General Smuts came not as a soldier, but as a diplomat. Negotiations are proceeding in the most cordial manner. There is hope that the Allies do not intend to take an offensive attitude toward the Hungarian republic."

### PRESIDENT BETTER BUT CONFINED TO BED

RUMORS THAT TRANSPORT "GEORGE WASHINGTON" HAS  
BEEN ORDERED TWO WEEKS AHEAD OF SCHEDULE

(Special Service to Glendale Evening News)

Paris, April 7.—It was reliably reported today that the American delegation had formulated a concrete Russian policy. It will be submitted to the Allied delegations for ratification.

Admiral Grayson, the President's private physician, announced that he had ordered President Wilson to remain in bed throughout today and not to attend today's meetings of the "Big Four." The President's cold is broken and his fever has subsided, but Grayson fears the strain of heavy work ahead.

Americans here declared today that they had hopes that the French and British predictions of peace by Easter may come true. They declared that all depends on France and England.

It was announced here today that the presidential transport "George Washington" had been ordered to Brest two weeks ahead of her schedule. It is considered here this action means that the President is preparing for a quick departure in case delays in the negotiations cause him to leave the conference.

Washington, April 7.—There was no information here today regarding the ordering of the transport "George Washington" to Brest.

EVERETT MILLS AND ATTACK CATHOLIC CHURCH

(Special Service to Glendale Evening News)

Lawrence, Mass., April 7.—Over one thousand striking-textile workers rushed Everett Mills, hurling stones through the windows, and later attacked the Holy Rosary Catholic Church, smashing several valuable stained glass windows. Over seventy shots were fired when one hundred mounted and foot police attempted to quell the disturbance. The police say that the police marshal's auto was fired upon when the marshal appeared to read the riot act. Twenty-eight men were arrested. No one was hurt seriously in the rioting.

### AN APRIL SHOWER

MRS. RIPLEY AND MISS HOBBS  
ENTERTAIN IN HONOR OF MISS  
EVANGELINE HUNTLEY

A truly "April shower" fell on Saturday afternoon, when Miss Dorothy Hobbs and Mrs. Noble J. Ripley entertained at the home of their parents on Central avenue, in honor of Miss Evangeline Huntley, who is to be a June bride. The house was beautifully decorated with flowers and greenery, orange blossoms appearing in every room.

A novel and entertaining game of "Hearts" was enjoyed. Miss Gladys Justema having the highest scores, received the prize—a handsome pair of candlesticks. Then all but the honoree were invited into the den which had been converted into a veritable fairy land for the room had been transformed into a wonderful garden. When all were seated, Miss Huntley was escorted in and hidden amongst the flowers she found many beautiful gifts of linen, silverware and china. Some time was consumed in admiring the lovely gifts after which delicious refreshments were served and a social hour was enjoyed. All decided it was one of the prettiest showers ever given in Glendale.

Those that enjoyed the afternoon were Miss Evangeline Huntley, Mrs. John Hobbs, Mrs. John G. Huntley, Mrs. Andrew Stephenson, Mrs. John A. Logan, Mrs. Joseph Webster, Mrs. Donald Bennett, Mrs. Delos H. Smith, Mrs. Charles A. Barker, Mrs. J. Herbert Smith, Miss Charlotte Castle, Miss Grace Beach, Miss Wanita Emery, Miss Carrie Stone, Miss Kathleen Dodge, Miss Virginia Huntley, Miss Mary Logan, Miss Gladys Justema, Miss Esther Shremp, Miss Margaret Boucher, Miss Ernestine Lyons, Miss Cecilia Lyons, Miss Alice Grey Beach, Miss Lila Webster, Miss Leola Webster, Miss Lila Shea, Miss Catherine Phillips, Mrs. Noble J. Ripley, Miss Dorothy Hobbs.

### ATHLETIC EVENTS

The practice game between Glendale and Burbank played on the High School campus Friday afternoon ended with a score of 8 to 5 in favor of the Burbank team which went home at the end of the first inning declaring they hadn't time to stay longer.

The first game of the Central League will come off next Friday at 3:45 p. m. on the Glendale field when the local team will play the boys of Monrovia High.

### POPULAR ACTRESS VERY ILL

Mrs. James W. Horne of 1445 Valley View Road, known to the theatre world as Cleo Ridgely, underwent an operation for mastoid bone at Thornycroft Hospital Friday morning, with Drs. Young and Deiterich in charge, assisted by a Los Angeles specialist. She came through the operation successfully, and her recovery is now assured. Mrs. Horne is quite well known and highly respected in Glendale, having lived here for several years.

### DAVID BLACK HOME

RETURNS FROM 10 MONTHS' Y.  
M. C. A. SERVICE IN BASE  
HOSPITAL, CAMP KEARNEY

David Black, of Kenneth Road, who has been in Y. M. C. A. service at the base hospital at Camp Kearney for the past ten months, received his discharge Saturday last and came home. While he found the work absorbing and full of human interest, it was becoming heavier than he was equal to, as there are now between 600 and 700 overseas patients in the hospital. He says that wonderful reconstruction work on badly wounded men has been done there, and that the hospital also provides light school work for those sufficiently recovered to undertake it. Some of the operations performed there, he declares, have been little short of miraculous.

### DEATH OF EDWARD EVERETT SQUIRES

Edward Everett Squires passed away at his home at 321 Ethel street, Glendale, Saturday, April 5, 1919, at the age of 58 years after an illness of about 48 hours. ### CAMPAIGN SERVICE

DR. OLIVER PREACHED FINE DIS-  
COURSE ON THE CROSS  
OF CHRIST

The first service of the Victory Campaign evangelistic meetings at the Presbyterian Church was Sunday morning at the 11 o'clock hour.

The usual order of morning worship was followed. A beautiful vocal solo by Mr. C. Clifford Riggs, entitled, "Because He Loved Me So," and a prayer by the pastor, Rev. W. E. Edmonds, preceded the sermon.

Dr. French E. Oliver took as his text the first part of the 14th verse of the 6th chapter of Galatians, "But God forbid that I should glory, save in the cross of our Lord Jesus Christ," reading the whole chapter from the 7th verse to the end in connection with the text.

"There are two great mountain peaks in history, the first when God gave the law to Moses on Mt. Sinai—the second when God gave His son, Jesus Christ, to die upon Mt. Calvary. Mt. Sinai and Mt. Calvary; failure marks the first and victory and glory the second. There is no such thing as a "Christian Nation" upon the earth, and never has been. Nations are Christian in principle, but not in practice. The law God gave to Moses has been the standard of the nations throughout the years, not Calvary. 'Thou shalt not kill!' There is not a nation under the sun that lives up to this law; murder is committed in every nation. This does not refer to war. We say how can a man be a Christian and be a soldier? It has never been called murder to take the life of a man when that man has ceased to value the life and property of others according to the law of Moses. The mistake of any nation or country is to abrogate capital punishment. 'Thou shalt not commit adultery.' God's law was intended to be a protection for the purity and sanctity of the home. Millions of people have struck the rocks of impurity and unfaithfulness in the home. The world has never reached Mt. Sinai as yet. Some nations are Christian in principle, but not in practice. Only a comparatively few individuals are Christian according to the law of Mt. Calvary.

"God set forth the moral law as a transcript of His character. Truth, honesty, love, all these things traced back to their fountain head, arrive at the heart of God and are a transcript of His heart. We have no right as a people to talk about America as a Christian nation. We have the privilege to be a Christian nation, but not the practice, speaking from the facts governing the majority. Those leading the victorious life subtracted from the nation would leave a vast majority on the wrong side. All the problems of the Peace Conference can be solved by the law of the Cross, never by the law of Sinai. 'Love one another' is a new commandment. 'Even as I have loved you, love ye one another.' The Lord Jesus Christ loved not only His friends but also His bitterest enemies, even the one who drove the spear into His side and platted the crown of thorns for His head. They said 'He saved others'." (Continued on Page 4)

TUESDAY AFTERNOON CLUB TO  
GIVE RECEPTION FOR THEM  
TUESDAY EVENING

The Tuesday Afternoon Club of this city will depart from regular custom and enjoy a reception tomorrow evening at which the fathers, husbands, brothers and masculine friends of members will be entertained with a brief program and informal social evening followed by special and rather elaborate refreshments.

The special guests of the evening will be the Glendale soldiers and sailors who have returned from the war front and from camps here and abroad. No personal invitations are being sent out, but the Club is extending in all other possible ways its most cordial invitation to every soldier and sailor within the city's gates, and is asking each member to constitute herself a committee of one to invite personally all the service men of her acquaintance. The Club wishes to do honor to these men and to make them its special guests.

### THE AMENDE HONORABLE

April 7, 1919.

To the Editor of the Glendale News:

Dear Sir:—

In regard to my advertisement of several days ago referring to German Jew peddlers annoying residents in this vicinity, by being so persistent in pushing their wares, several Jewish families here have taken exceptions, misconstruing the remarks therein. I did not wish to cast any reflections on any of these respectable citizens, either Polish, American, Russian or German Jews. As all know, there are good and bad in every flock. Some of my best friends are Jews and of German descent, and good American citizens. I am sorry they should have taken my advertisement in the wrong spirit for which I extend to them my sincerest apologies.

I may say they number among my best customers.

Yours truly,  
FRANK BOOTH,

Mr. Booth if you had given a fling at the Scotch-Irish I would not have wondered at it, for it is said "If a Scotchman is not born right he never gets right." However, after this you would better confine your remarks to the "Hinglish."—Editor.

### LEAGUE OF AMERICAN DEFENDERS

Sharpe, appointed at last Tuesday night's meeting of the League of American Defenders to boost for membership, is on the job and every boy or man who was in any branch of the service at home or abroad should hand in his name as a member of the League. This banding together of the boys will be greatly to their benefit in every way as they can speak with mighty power to congress in demand of proper recognition of their rights. The American people are demanding that justice be done to the boys who served so well their country's needs wherever they were placed.

end with Mrs. Harwood's father in  
Orange.

Kenneth Jackson, son of Mr. and  
Mrs. D. Ripley Jackson of 214 East  
Chestnut street, has been confined to  
his home for several days of influenza  
and is quite seriously ill. He found  
it a great hardship to be absent from  
school when High Jinks were on.

Mr. and Mrs. Christian Timmer  
and daughter of Los Angeles spent  
Friday with Mrs. Colin Cable at 505  
South Columbus. Thursday evening  
Miss Gertrude Bennett and her moth-  
er of Manhattan Place, Los Angeles,  
were guests for tea in the Cable home.

Mrs. Freeman Kelley of South  
Glendale avenue is looking forward  
to a visit this week from a young  
English officer and his wife who have  
been sojourning at Montecita, Santa  
Barbara, for a few weeks and who  
are leaving for Sidney, Australia, the  
old home of Mrs. Kelley.

Leon Owen was recently discharg-  
ed from the navy on account of de-

from Elizabeth Lake and are living  
on Arden Ave.

Miss Muriel Theobald, of 464 Oak

idly and will soon be up. Miss Mar-  
ian Springer, of 532 Oak St., also a  
flu patient, was able to be out again  
Sunday.

Friends of Miss Alice Frank have  
been interested in the picture which  
has been running at Quinn's Realto  
the past few weeks in which she takes  
a leading part. The picture is "Tad's  
Swimming Pool," and is from one of  
Judge Brown's stories. The showing  
of this film closes with this week.

Mr. and Mrs. Charles Hughes, who  
formerly resided at the corner of  
Wilson avenue and Jackson street  
and who sold out to become farmers,  
returned to Glendale a few weeks ago  
and are now located at 343 Oak  
street. They say they will always re-  
gard Glendale as their home. They  
bought land last fall at Los Molinas,  
north of Sacramento about 150 miles,  
and put in a wheat crop which they  
expect to go back to harvest about  
the first of June.

Little Ethel Loraine arrived as a  
guest of Mr. and Mrs. L. W. Andrews

to stay a few weeks while making ar-  
rangements to take up a claim in  
Humboldt county, this state. John  
was honorably discharged from the  
Naval Reserves in 1917 because he  
was over the required age at that  
time and was the sole support of the  
family. There are two children,  
Ralph, who is Western Union messen-  
ger boy, and Eileen, a school girl.

William Renshaw, of 362 West Lo-  
mita Ave., who has resumed his regu-  
lar college work at Throop, has been  
enjoying the spring vacation at home  
but returns to his school work today.

Marion Scott, wife and daughter,  
Gladys, who have been living at 138  
North Belmont, start today on their  
return to the old home in Agra, Kan-  
sas.

Mr. W. H. Howe of Buffalo, N. Y.,  
an old-time friend, was a week-end  
guest at the G. H. Morton  
home. Mr. Howe is visiting his sis-  
ter in Los Angeles for the winter and  
is also enjoying many side trips.

Mr. and Mrs. A. A. Barton had the  
pleasure of entertaining one evening  
last week Mr. and Mrs. Edwin Weav-  
er, old friends who have come here  
from Denver, Colorado, and who ex-  
pect to locate permanently in Los An-  
geles.

Arrangements are being made for  
a grand ball to celebrate the first an-  
niversary of the dedication of the  
Club House of the Glendale Elks'  
Lodge. It will take place next Sat-  
urday evening.

Rev. Geo. W. Davis of Los Angeles  
will bring the opening address at the  
Christian and Missionary Alliance  
Convention Tuesday evening at 7:30  
o'clock. Topic: "Is the End of the  
World Approaching?" Gospel Taber-  
nacle, Louise and Chestnut streets.

The friends of Mrs. Eva M. Hutton  
will rejoice to know that she has so  
far recovered her strength that she is  
able to walk quite a little. She de-  
lighted her friend, Mrs. E. M. Rey-  
nolds, Saturday, by walking from the  
Hutton residence at 326 East Colo-  
rado avenue to the Reynolds home at  
339 West Windsor Road.

Mr. Edward Weaver, of Buffalo, N.  
Y., who visited his cousin, Mrs. G. H.  
Morton of North Isabel street, a few  
weeks ago, made a flying trip East to  
bring back his wife. He has invested  
in large apartments in Long Beach.  
They are delighted with the beauties  
of Southern California and will re-  
side here.

Mrs. Warren Roberts of 539 East  
Elk avenue, who fell down stairs  
about two weeks ago and severely  
injured her back and generally bruised  
herself, is reported better but is  
not yet well enough to see her  
friends. Her other disabilities have  
been complicated by a bad attack of  
bronchitis, to which she used to be  
quite subject.

Mrs. J. A. Legge will leave about  
the first of May for Washington, D.  
C., to visit her husband's mother.  
She will be accompanied by her little  
son and will probably spend a part  
of the summer in the Blue Ridge  
Mountains at their summer home.  
She expects to return in about three  
months and hopes to be accompanied  
by her mother-in-law.

Friends report that Mrs. Ward and  
Mrs. Reed and little daughter of  
Eagle Rock who were poisoned by  
eating mushrooms have been able to  
return home from the hospital but  
are not yet considered out of danger.  
Dr. Ward is with his family now.  
Lawrence Ward is on his way home  
from France where he was a bombard-  
ier in the aeroplane service, and  
Paul Ward is on his way to South  
America.

Dr. and Mrs. R. V. Hogue spent  
Sunday in Beaumont with Mrs.  
Hogue's sister who is recuperating  
from a long illness following influ-  
enza, and who went to Beaumont by  
recommendation of her physician.  
The change is proving very beneficial  
and she is gaining rapidly. She and  
her husband have sold out their in-  
terests in Santa Ana with the expec-  
tation of locating in Arizona.

Dr. Chase, City Health Officer, re-  
ports a slight increase in influenza  
but nothing at all alarming. There  
are several cases in the eastern part  
of the city. Dr. Jeter's son, Lauf-  
man, has been on the sick list, Ernest  
Reed, Miss Marian Addison, and a  
daughter in the E. H. Harding fam-  
ily. Miss Christine Ferriss, a high  
school student and daughter of Mrs.  
Johnston, now living in Los Angeles,  
has been confined to her home but  
expects to return to school next week.  
The embargo has been lifted on the  
Hartley Shaw home, and there are no  
critical cases reported.

residents of Pennsylvania will hold  
their annual picnic at Sycamore  
Grove. Hot coffee will be provided  
to all who buy badges, and a pro-  
gram will follow the noon dinner  
hour.

**BATE CHANGE OF TIME AND**  
**NEGATIVE ARGUMENTS WIN**

Members of Chapter B. A. of the  
P. E. O. had an unusual and very de-  
lightful meeting Friday at the home  
of Mrs. Freeman Kelley on South  
Glendale avenue. Luncheon was  
served at one o'clock with Mrs. Wal-  
ter Stamps assisting the hostess. At  
the regular chapter session Mrs. R. A.  
Brown, a new member, was initiated.  
Following the luncheon a spirited de-  
bate upon the change of time—the  
setting forward of the clock—took  
place with Mrs. Archie Parker and  
Mrs. E. H. Willisford presenting ar-  
guments for the affirmative and Mes-  
dames Walter Stamps and Charles  
Guthrie setting forth the negative  
side. While there was some sound  
argument there was also plenty of  
fun which immensely amused the au-  
dience. The guests of the day, Mrs.  
W. W. Ramsay, Mrs. Tuttle and Mrs.  
Russell, acted as judges basing their  
decision, which was in favor of the  
negative, on a schedule of thirteen  
points.

The program ended with a group  
of songs by Mrs. Frank Arnold, clos-  
ing with "A Perfect Day."

**NOTICE TO COMRADES**

All comrades of N. P. Banks Post,  
G. A. R., are cordially invited to join  
with the comrades of the Los Angeles  
Post in helping to make a grand suc-  
cess of the next anniversary celebra-  
tion of the historic event which mark-  
ed the close of the Civil War at Ap-  
pomattox, Va., fifty-four years ago.  
The affair will take place April 9th  
at Sycamore Drive. It will be of the  
informal, social order usual to our  
California picnic gatherings. Come  
and bring your wife and kiddies (if  
blessed with any), and have a good  
time in meeting old friends and re-  
newing old associations with what is  
left of the rapidly disappearing rank  
and file of the Grand Army of the  
Republic.

Yours in F. C. and L.,

Secretary.

**ORANGE LANDS ON TEN YEARS' TIME**

The Mentone Groves Company of  
Mentone, Cal., is selling high-class  
orange lands for \$300 per acre, re-  
quiring but five per cent. of the pur-  
chase price at the time of sale and  
no further payment on the principal

**THE NEWS "WELCHED"**  
In the quarter-page advertisement

### GREAT TIMES IN CAMP

(Continued from Page 1)  
with the big show called "Circus Day."

It was entirely different from anything ever presented before and made a hit the first thing. Contrary to my fears, it went off as a good success. So now I am in for another round. This morning the captain told me I was to rig up some kind of a "jazz" orchestra, etc., for entertainment on our homeward trip. If you could get a look at the talent at my disposal, you would extend sympathies. Imagine me an orchestra leader. I don't know a baton from a bass drum. Well, here goes at any rate. We will soon be home, and I won't have many months here in which to live my reputation down.

We will be out of this country this month, some time during the latter part, but when I shall reach home is problematical. I received five letters the other day, the first in six weeks. Two were from you. Heretofore I have been writing regularly between inspections. We sure have enough of them these days.

With love,

MURRAY.

(Continued from Page 1)  
ers, Himself He cannot save' and it was true for His love was so great, so gigantic and magnificent that He could not save Himself for the longing to save others. You cannot find that kind of love in anyone else. Bring your labor problem to the foot of the Cross and you will find a solution. We see the devil holding a wand of gold over the rich and over the poor; both struggling for money. If men loved employees and employees loved employers enough to die for them, there would be a just proportion of all things and the problem would be solved with an eye single to the glory of God.

"Take the divorce problem. There have been over one million divorces granted in this country. Our present literature, moving pictures, popular music and such things strike at the honor of the home and the sanctity of the marriage vows. This problem can only be solved by bringing it to the foot of the Cross. The solution of the world's problems lies in the text selected this morning. Look at Austria, Germany and Turkey, they have tried to solve their difficulties in the wisdom and energy of the flesh, they are the failure of the law of Sinai, they have not even reached Calvary.

"Behold the glory of the Cross. A spring always rises from a source higher than itself. The outflow of corruption from the life of a man indicates mathematically that he is dominated by the devil. A life of unselfishness, generosity and benevolence is a mathematical proof that a man is closely allied with the Lord Jesus Christ. A life given for the country puts a man upon a pedestal. Nathan Hale regretted that he had but one life to give for his country. The little Italian girl who wore her life away for seven long years in prison rather than betray her father is another example of what we call from the standpoint of patriotism a life worth while. If the people in the churches were made of that stamp and quality they would shake the world. That is the heart of the Cross and the message of the Cross. Christianity in its vital sense has never been tried by governments. Christianity has never failed. Church-anity has failed.

"The Bible grows brighter and clearer every day as it is studied. It shows how you can couple what you are and what you ought to be. We walk by faith and not by sight. The person to understand it must present a willing mind. When asked what electricity was, Mr. Edison replied, 'Electricity is that mysterious fluid about which no man knows a thing.' In puzzling over the questions of an application paper for a position in the pension department at Washington, an old soldier, in reply to the query, 'how far is the moon from the earth, wrote this answer with more wisdom than he knew, 'I do not know how far the moon is from the earth, but I am positive that it is too far away to interfere with my work in the pension department.' We must live by faith. Leave Christ where God placed Him, eternal in the heavens, the Son of Righteousness. A vast number of people are led off by evolution. None of us came from monkey kingdom, but a vast lot of us are headed that way. Charles Darwin passed his last hours reading the Book of Hebrews and died asking his friends to tell others that he had been mistaken in his theories and that there was but one true faith. This fact is also true of Dr. Wm. Harper and others who had preached Higher Criticism and German Philosophy, they came to their senses when their last hour approached. There is but one thing that can bring comfort and sustaining strength in life and that is the hope of Jesus Christ, and the Cross of Calvary. 'God forbid that I should glory save in the Cross of Jesus Christ.'

"In the Cross of Christ I glory, Towering o'er the wrecks of time; All the light of sacred story, Gathers round its head sublime.

"When the woes of life o'ertake me, Hopes deceive and fears annoy, Never shall the Cross forsake me; Lo! it glows with peace and joy."

Tonight Dr. Oliver will preach upon the "Transfiguration of Christ." Each afternoon at 3 o'clock he will give an address upon "Faith." Bring Bibles, and note books.

WHEN HE COMES HOME—there should be a new Portrait to record the event. We will make such pictures free of charge to every sailor or soldier; tell your friends there is no limit. All are welcome. Bring the uniform. No obligations to order photos. You get one free, and we keep one for a large group to be finished when all are back home.
